

Make space for nature

**2025
Catalogue**

We fully grasp the challenges faced in today's retail climate, where meeting and surpassing sales targets is crucial.

Supercharge sales with our locally manufactured, affordable plastic gardening products—the ultimate solution for retailers!

With over two decades of industry expertise, we can meticulously design a distinctive offering tailored specifically for your store.

All our products are UV stabilized for longer lifespan.

We use recycled materials, and our products are recyclable

95% of our products are locally manufactured in South Africa

Our brand is strong, trusted and well established

Cultivate happiness with
potted plants, as they bring the
calming presence of nature into
your living environment.
